

# GO ROMA PARTNERS | COMMUNITY FUNDRAISING PROGRAM

## What is Go Roma Partners?

*This Community Fundraising Program is a way for organizations to raise funds by enjoying an entree at Go Roma restaurants.*

*Through our Go Roma Partners program, we have helped to raise thousands of dollars for organizations just like yours.*

## How does the program work?

*Raising funds with Go Roma is simple. All you do is choose a date and time that you would like to have your event and then distribute announcement flyers (we even supply the template!), that's it!*

*"The Go Roma Partners program helped our school raise over \$2,000 which paid for new school supplies we desperately needed. Our guests loved the menu and the casual environment to eat and enjoy raising funds for our kids!"*

*As the members of your organization dine during your specified evening, Go Roma will give back a percentage of every entrée ordered. In addition to raising funds, the Community Fundraising Program also helps to strengthen the bonds of the people within your organization. This is because your fundraiser at Go Roma is a social event as well as a fundraising event, bringing your members together for an evening to share a delicious meal and a little bit of each others' time.*

*"Our non-profit has always looked for new, creative ways to raise funds, and Go Roma Partners Program is one of the best we have ever done. Excellent food and great service was almost as good as raising \$350 in one evening! Thanks Go Roma!"*

## What does it cost?

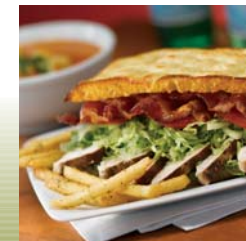

*Go Roma's Partners Program doesn't cost you a thing. There are no start-up costs that you find with some fundraising drives. You also have complete control over the date of your event and how many flyers you give out, giving you total control over the amount of funds you would like to raise.*

## What do we need to get started?

*You will be supplied with a Go Roma Partners participation flyer, which has been specially designed to be printed on a standard black and white printer. Give these flyers to the members of your organization and tell them to turn them in at the restaurant on the evening that they dine. We will also supply you with a template for a flyer template designed to raise awareness of the event. Your Go Roma team will work out all of the details with you to insure a successful event.*

## Call Go Roma today!

*"We have held five fundraising events at Go Roma, and each has been a huge success. Thank you, Go Roma, for helping us make our goal again!"*

## GO ROMA PARTNERS

### Raising Funds Has Never Been So Easy!

**CALL** the General Manager of your local Go Roma and set a date for your fundraiser. (A list of our locations can be found at [www.goroma.net](http://www.goroma.net))

As your **PARTNER** in the community, Go Roma will create customized flyers, which can then be copied by your group for distribution, announcing and promoting the details of your exciting fundraising event.

**PLAN** your fundraiser to last at least 30 days. This will give people plenty of time to mark their calendars and come in and enjoy their entrée for your cause. **INVITE** all your **FRIENDS** and **FAMILY** to your help raise funds. Get everyone involved. Tell each person to bring in their flyer, and Go Roma will donate back to your organization.

**HAND OUT** as many **FLYERS** as possible and **MAKE** reminder **CALLS**.

When handing out fliers, remind people why they should come to **GO ROMA**—it's the perfect opportunity to dine on contemporary Italian fare while **DONATING** to a worthy cause.
